Would it be possible for us to not have Annie testify today. Donna and I need to talk through this and probably won't have an answer soon. Can you pls tell us about the schedule for upcoming trials?

Annie Dookhan received a request to appear this afternoon in Suffolk County (a case from 2009 that is finally going to trial). She asked me how she should respond. I advised her that she should appear. I am just confirming that is the appropriate advice.
